ADMISSION PROCEDURE FOR MCA FIRST YEAR:

MAH MCA-CET Entrance EXAM is the Common Entrance Test for MCA Admissions in Maharashtra.

For admission to the First Year of Two year Full Time Post Graduate Degree Course in Master of Computer Application (MCA), DTE Maharashtra conducts MAH MCA-CET Exam in the month of March/April every year.

How to Apply for MAH MCA-CET EXAM:

Online Registration for MCA-CET Exam website is shown below:

https://cetcell.mahacet.org/

On this website Information Brochure, along with MAH MCA-CET Entrance Examination Syllabus, Examination time-table and result is available.

MCA (Master of Computer Applications) is a 2-year postgraduate degree program intended to teach about computer applications and software development. Students, who wish to establish a solid base in Data Management, IT Infrastructure, Software Development, System Design, etc., should take this program.

The MCA eligibility criterion requires a bachelor's degree in either **BCA or any relevant discipline** from a recognized university. The admissions are mainly based on entrance exams such as **MAH MCA CET.**
